In celebration of Black History Month, we would like to shine the spotlight on the beauty and strength of women and girls of color. The Geena Davis Institute on Gender in Media in association with L.A.I. Communications, will host the 20th anniversary celebration of Tryin' to Sleep in the Bed You Made, by New York Times best-selling authors, Virginia DeBerry and Donna Grant. The event will feature stage readings from the award-winning and beloved DeBerry and Grant novels followed by a panel discussion on the state of women and girls of color in Hollywood.
